RE: CC Docket No 02-6 - Request for Waiver  
Billed Entity Name: Colon Community School District  
Billed Entity Number: 131322  
471 Number: 587785, FRN : 1630799

Dear Ms. Dortch;

We request a waiver of the filing deadline for an FRN mistakenly left off our original 2007 471. I discovered my error when we received the 471 Receipt Acknowledgement Letter and found that the FRN for cellular telephone service we listed on our attachment was not on our Form 471 (471 #550929). Unfortunately, the 2007 471 window had already closed. Contact with the SLD helpline (I spoke to Dawn, case # 21-555868) indicated that the only hope of correcting my mistake was to file a second 471 (#587785), wait for the funding request to be denied as filed outside the window, and then request a waiver from the FCC. I followed the advice I was given and filed the second 471. I have attached a copy of the Line 21 attachment for both the original 471 and the second 471.

On June 29, 2007 I received a "Postmarked Outside of Window" letter (attached). This letter states that the application will be held "pending final review of those applications that were filed within the filing window." This left me with the impression that my request for funding was still under review. I did not realize that this was the denial letter I was expected to appeal, I was looking for a letter that actually said "denied". I realized my second mistake when I read a recent SLD News Brief advising people that had missed the 2008 471 window to file for a waiver of the deadline now, rather than waiting for a denial as I had been advised.

As a result, I am requesting this waiver of the filing deadline after the 60 day appeal window, but I hope you will also waive that

requirement due to the confusing wording of the "Postmarked Outside of Window" letter.

I appreciate any help or advice you can provide. Please contact me at 317-581-0169 or [darsey@admtec.com](mailto:darsey@admtec.com) if there is any additional information I can provide to aid your review of our request for a waiver of the 2007 471 filing deadline for FRN 1630799.
